

The Pupil Handbook

How we go on at St Elowen's, and what to bring.

You will need a trunk, a warm coat, and a good pair of walking shoes. You will not need to be clever, or brave, or good at hockey. You will find that you become these things here, mostly by accident, and usually at the worst possible moment.

We ask three things of our girls, and only three. Courage, which is not the absence of fear but the doing of the right thing while afraid. Kindness, which costs nothing and is worth everything. And Honour, which is simply this: that a girl's word may be relied upon.

Bounds: girls are asked not to go beyond the cedar without a mistress. Letter day is every Sunday, and no girl is excused. Touch the Duke for luck on your way out to a match. And do not miss the pudding.

Term begins with the Welcome Feast.
